## (C) Research & Publications

- 1 **Dr. Anurag Sharma** published a research article *Tribological Performance Evaluation of Greases on a Four-Ball Tester with Graphene Oxide Nanoparticles in ACS Omega*, an SCI-indexed journal.
- 2 **Dr G Madhusudhana Rao** published a book *Hybrid Electric Vehicles* with Iterative International Publishers, India with ISBN :978-93-5747-293-7.
- 3 **Ms. Pushpanjali Shadangi** and **Dr. Sushree Diptimayee Swain** published a book chapter *PSO-Based DSTATCOM for Harmonic Compensation Under Different Load Perturbation* in the book titled *Sustainable Energy and Technological Advancements*, SPRINGER.
- 4 **Prof Neeraj Verma**, published a research article *Taguchi Optimization of Tribological Properties and Corrosion Behavior of Self- Lubricating Composites Processed by Powder Metallurgy* in the Journal of Materials Research and Technology.  
He also received a A British patent grant titled *Electrochemical Cell for Corrosion Testing* and file No: 60303713.
- 5 **Prof. Dharmendra Singh Saini** published a research article *Tribological Performance Evaluation of Greases on Four Ball Tester with Nanoparticles Graphene Oxide* in the journal ACS Omega.
- 6 **Dr. Mahesh Bhiwapurkar** published a research article *Development and Analysis of Rolling Contact Fatigue Squat Crack in Wheel/Rail-Weld System Using Finite Element Modelling* in European Chemical Bulletin.
- 7 **Prof. Jitesh Singh**, published a research article, *Thermal stability and dynamic mechanical analysis of nano-biofillers blended hybrid composites reinforced by cellulosic Borassus flabellifer L. fiber* in International Journal of Polymer Analysis and Characterization.
- 8 **Dr. Mukesh Shyamkant Desai**, for publication of his *Industrial Design* with application Number 363716-001.
- 9 **Dr. Kavita Patel** published a paper titled *An Overview on Chemical Aspects and Potential Health Benefits of Andrographolide* in European Chemical Bulletin (SCOPUS Indexed) in August 2023.
- 10 **Dr. Saroj Kumar Chandra** published a research paper titled *Efficient Machine Learning and Fractional Calculus based Mathematical Model for Early COVID* in Journal of Human-Centric Intelligent Systems.  
He also published a book chapter *Impact of Fake News on Society with Detection and Classification Techniques* published by Taylor and Francis.
- 11 **Prof. Princy Diwan** published a paper *Blockchain Assisted Encryption Scheme for Intellectual Share Estimation Using Medical Research Data* in Wiley Online Library on 29 August 2023.

**12** **Dr. Arti Vaish** published a paper *Power grid adaptive and block processing control based on the extended Kalman filter and large deviation theory*, Chapter 5, pages 129-154, in the book *Adaptive Power Quality for Power Management Units using Smart Technologies*, published by CRC Press, Taylor and Francis.

She also edited a book *Adaptive Power Quality for Power Management Units using Smart Technologies*, with eBook ISBN 9781003436461, published by CRC Press, Taylor and Francis.

**13** **Dr. Rakesh Nayak** published a paper titled *An Improved Grey Wolf Optimization-Based Convolutional Neural Network for the Segmentation of COVID-19 Lungs-Infected Parts* in *Cognitive Computation*, August 2023.

## (D) Achievements

**1** **Ms. Pushpanjali Shadangi** is appointed as a reviewer of *American Journal of Electrical Power and Energy Systems (EPES)*.

She also delivered an expert lecture on -

- \* Concept of Control System and its Industrial Applications at Jindal Institute of Power Technology, Tamnar on 17 August 2023.

- \* Basis of AC Circuits and Applications at Jindal Institute of Power Technology, Tamnar on 18 August 2023.

She also participated in -

- \* A short term course on Sustainable Development Goals: Challenges and Opportunities scheduled from 21-25 August 2023 conducted by NITTTR, Chandigarh.

- \* A webinar on Future of Technology Entrepreneurship in India on 12 August 2023.

**2** **Dr. Mithilesh Kumar Sahu** of Dept. of Mechanical Engg. delivered an Expert Talk Publication Ethics in the 5-days short term training program on Scientific Writing and Publishing from 31 July to 4 August 2023 at Sarala Birla University, Ranchi.

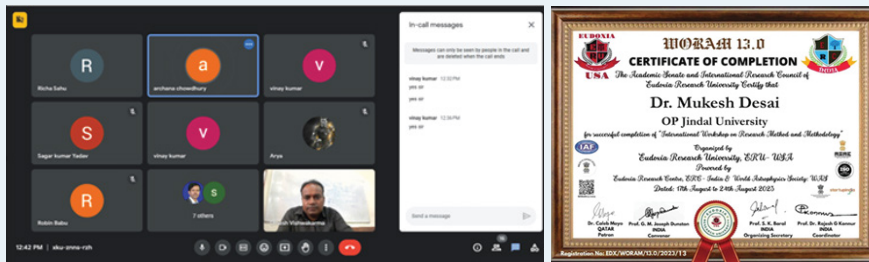

**3** **Prof. Tulika Gupta** and **Dr. Mahasakti Mahamaya** got approval for a research-cum-consultancy project *An Eco-Friendly Approach Towards the Sustainable Development of Construction Materials Using Sponge Iron Fines and Fly Ash Waste from JSP, Raigarh.*

**4** **Dr. Mithilesh Kumar Sahu** and **Dr. Saroj Kumar** of Mechanical Engg. Dept. attended the 5-days short term training program on Scientific Writing and Publishing from 31 July to 4 August 2023 organized at Sarala Birla University, Ranchi.

**5** **Dr. Mithilesh Kumar Sahu, Mr. Akash Pandey** and **Dr. Kuber Nath Mishra** of Mechanical Engg. Dept. delivered expert lectures at Jindal Institute of Power Technology (JIPT), Tamnar, during 14 to 17 August 2023.

**6** **Dr. Umesh Kumar Vishwakarma** of Mechanical Engg. Dept. delivered a guest lecture on Introduction to Ethics in Research organized by Christian College of Engineering and Technology, Bhilai, Chhattisgarh on 17 August 2023.

**7** **Dr. Mukesh S Desai** of Mechanical Engg. Dept. attended a 1-week International online workshop on Research Methods and Methodology during 17 to 24 August 2023 organised by Eudoxia Research University, USA.

**8** **Dr. S. Das**, Steel Chair Professor and HOD and **Dr. M. Kalyan Phani**, of Metallurgical Engg. Dept. were invited as Jury for the Innovation Week with a theme of Energy Efficiency held during 1 to 5 August 2023 at JSP Raigarh.

**9** **Dr. M. Kalyan Phani** of Metallurgical Engineering Dept. delivered an expert talk on Green Steel: Race Towards Achieving Net Zero in the Innovation Week at JSP, Raigarh held on 7 August 2023.

**10** **Dr Deepayan Priyadarshi** of Civil Engineering Department appointed as the Advisory Committee member for the Formula Bharat for the 2023-2024 session.(formulabharat.com)

**11** **Prof. Rakesh Patidar** had attended a National Webinar on Sustainable Biomass Renewable Energy Supply Chain Management organized by Mandsaur University, Mandsaur (M. P.) on 5 August 2023. He also delivered an expert lecture on Measurement & Instrumentation at Jindal Institute of Power Technology, Tamnar on 19 August 2023.

**12** **Dr G Madhusudhana Rao** participated in an FDP titled Recent Advances in the Power Sector – Challenges, Solutions, and Opportunities conducted by EEE Department, Vidya Jyothi Institute of Technology, during 31 July to 5 August 2023.

**13** **Prof. Nandalal Acharjee** of Metallurgical Engg. Dept. was invited for two half-day sessions for the students of M. Des. (Lifestyle Accessory Design) of NID, Gandhinagar on the topic Materials, Methods & Techniques.

**14** The department of EE signed an MoU with Arka Jain University on 4 August 2023.

**15** **Ms. Nikita Sahu**, a 5th-semester student of Mechanical Engg. Dept. successfully coordinated the Drone Technology workshop conducted at the OPJU campus.

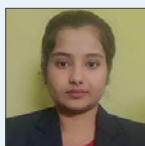

- 16** **Dr. Himanshu Vaishnav** of SoM delivered a Guest Lecture on *Lean Start-up and Minimum Viable Product/ Business* for the Students and Faculty Members of Christian College of Engineering & Technology, Bhilai (Chhattisgarh) on August 18, 2023.
- 17** **Ms. Namrata Ojha** of SoM has attended an online Faculty Development Program on *Research Methodology and Teaching Pedagogy* organized by the Department of Legal Studies, LCIT College of Commerce and Science during 7 to 12 August 2023.
- 18** **Ms. Sujata Panda** of SoM completed two-weeks online interdisciplinary refresher course on *ADVANCED RESEARCH METHODOLOGY* from 21 July to 04 August, 2023, Organized by Ramanujan College, University of Delhi.
- 19** **Dr. Saurabh Gupta** of SoM has received 3rd place price in *Indigenous Voices Case Writing Competition* organized by Emerald Publishing.

- 20** **Dr. Alka Pandey** was awarded with her Ph.D. degree from HemChand Yadav Vishwavidyalaya, Durg.
- 21** **Dr. Alka Pandey** of SoM attended online Faculty Development Program on *Emerging Perspectives of Multidisciplinary Research: Methods & Analysis* Organized by Department of Business Administration & Department of Regional Economics Mahatma Jyotiba Phule Rohilkhand University, Bareilly from 1 to 7 August 2023.
